

# My Career Evolution Plan

December 2025

Software Engineer

My plan

The market

My goal

Working as a  
Software Engineer  
abroad

Start my career by a VIE

Any field, I'm someone really  
curious

Software jobs are projected  
to be on the rise

Companies are frequently  
opening VIE software  
engineer job offers

Is AI a threat ?  
No but surely a required skill

- ☒ Exposing myself to all  
types of technologies
- ☒ Work in an English-only  
environment
- ☐ Achieve a C1 level  
in English
- ☐ Identify countries  
I would work in
- ☐ Get a first  
experience abroad
